**About workshop:** A three day workshop on Research methodology was organized by Aryabhata College, Barnala from 11/03/2023 to 13/03/2023. The workshop was organized for Faculty members of the college to motivate them for research and Development.

On day one, Dr. B.B. singla was the resource person and he addressed the faculty members of the topic of How to identify the research topic and what are the key factors like parameters, sample etc for deciding about the research proposal. He also emphasized on the thorough and vide study required for Literature survey. In his words, he focused on the key aspect that we should design the problem of research very carefully.

On second day, the Dr. Satinder Kumar was the key speaker and in his address he focus on research design and sample collection techniques. He guided that the research design plays a vital role in research because many of aspects or misleading facts or rectifications can be in research design. He also gave his valuable experience of design of questionnaire and sample technique and size depending on the research activity.

On third day, Dr. Sanjeev Modi was the key speaker who guided the faculty for the use of softwares like excel, power point, SPSS etc. which will be used while doing the calculations or making interpretations after collection on samples.

Dr. Ajay Mittal on last day gave vote of thanks to all the speakers for their valuable time and their guidance to faculty for doing research and innovation.
